Regulatory Requirements: Ontario Regulation 137/15

Anaphylactic Policy

39(1) Every licensee shall ensure that each child care centre it operates and each premises where it oversees the provision of home child care or in-home services has an anaphylactic policy that includes the following:

1. A strategy to reduce the risk of exposure to anaphylactic causative agents.

2. A communication plan for the dissemination of information on life-threatening allergies, including anaphylactic allergies.

3. Development of an individualized plan for each child with an anaphylactic allergy who,

i. receives child care at a child care centre the licensee operates, or

ii. is enrolled with a home child care agency and receives child care at a premises where it oversees the provision of home child care or in-home services.

4. Training on procedures to be followed in the event of a child having an anaphylactic reaction. O. Reg. 126/16, s. 26 (1, 2).

(2) The individualized plan referred to in paragraph 3 of subsection (1) shall,

(a) be developed in consultation with a parent of the child and with any regulated health professional who is involved in the child's health care and who, in the parent's opinion, should be included in the consultation; and

(b) include a description of the procedures to be followed in the event of an allergic reaction or other medical emergency. O. Reg. 126/16, s. 26 (3).

(3) In this section,

"anaphylaxis" means a severe systemic allergic reaction which can be fatal, resulting in circulatory collapse or shock, and "anaphylactic" has a corresponding meaning.

Food Allergy and Restriction Posting

43(3) Every licensee of a child care centre shall ensure that, in each child care centre it operates, a list setting out the names of the children receiving child care in the child care centre who have allergies or food restrictions, and their respective allergens or restrictions,

(a) is posted in each cooking and serving area;

(b) is posted in each play area or play room; and

(c) is available and accessible in any other area in which children may be present.
