Policies and Procedures
Behavior Management Code of Conduct

Providers, Family Members, and Persons Ordinarily Resident on the Premises

In accordance with the Home Child Care Provider's Contract, it is understood that only appropriate behaviours management techniques, which comply with the Child Care and Early Years Act. (CCEYA 2014) should be used to guide young children in developing pro-social behavior.

In addition, the provider, anyone in the home over the age of 18, and persons ordinarily resident on the premises where childcare is overseen by an agency **must** also comply with the stipulated behavior management guidelines. Such individuals will be required to execute the attached document acknowledging their understanding of the All Child Care Solutions Inc. Behavior Code of Conduct. This form will be reviewed and signed on a yearly basis.

The Following Prohibited Practices must **Never be Permitted.**

(1) No licensee shall permit, with respect to a child receiving child care at a child care centre it operates or at a premises where it oversees the provision of child care,

(a) corporal punishment of the child;

(b) physical restraint of the child, such as confining the child to a high chair, car seat, stroller or other device for the purposes of discipline or in lieu of supervision, unless the physical restraint is for the purpose of preventing a child from hurting himself, herself or someone else, and is used only as a last resort and only until the risk of injury is no longer imminent;

(c) locking the exits of the child care centre or home child care premises for the purpose of confining the child, or confining the child in an area or room without adult supervision, unless such confinement occurs during an emergency and is required as part of the licensee's emergency management policies and procedures;

(d) use of harsh or degrading measures or threats or use of derogatory language directed at or used in the presence of a child that would humiliate, shame or frighten the child or undermine his or her self-respect, dignity or self-worth;

(e) depriving the child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding; or

(f) inflicting any bodily harm on children including making children eat or drink against their will.

*(2) No employee or volunteer of the licensee, or student who is on an educational placement with the licensee, and no person who provides home child care or in- home services at a premises overseen by a home child care agency shall engage in any of the prohibited practices set out in subsection (1) with respect to a child receiving child care.

Intent

These provisions forbid physical punishment and other harmful disciplinary practices to protect the emotional and physical well-being of children. They set out clear direction regarding prohibited practices to support the overall well-being of children. These practices must not be permitted by a home child care agency, at home child care premises where it oversees the provision of child care. Furthermore, no home child care provider, agency employee, home child care visitor, volunteer, or student shall engage (i.e. implement) any of these practices. Young children benefit from an affirming approach that encourages positive interactions with other children and with adults, rather than from a negative or punitive approach to managing unwanted behavior.

Failure to comply with the Behavior Management Code of Conduct will result in an investigation and the removal of the children who are in care. Ultimately, termination of the Provider's Contract with All Child Care Solutions Inc. may occur accompanied by disciplinary action.

I have read and understood the *All Child Care Solutions Inc.* Behavior Management Code of Conduct and agree to abide by them.
